China Dish

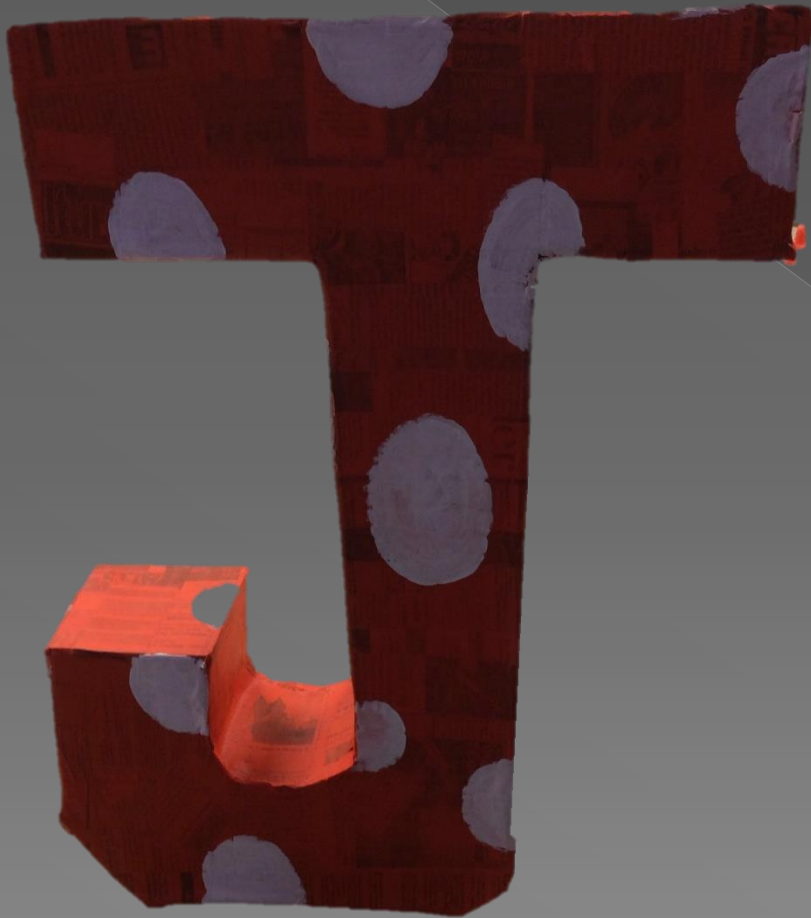

- Medium: paper plate, paint
- I used white and blue and sorta mixed them together and made a C shape with the brush to create the pattern then added vines and flowers to add detail

Magazine Chair

- Medium: magazine, mod podge
- I ripped out and taped together rolled magazine pages and pushed them into a bowl shape then covered in it mod podge

J

- ◉ Medium: cardboard, newspaper, glue, and paint
- ◉ I cut out cardboard in a J shape and covered it in newspaper that I dunked in glue then painted over it when it dried.

Crayon Art

- Medium: crayons, tape, canvas
- I put tape in the shape of a J then glued crayons on the top. I used a hair dryer to melt them and then peeled the tape off

Mickey Mouse

- Medium: glue, paint chips
- I founded a picture of mickey mouse and sketched it onto a paper. I cut up paint chips and glued them down in a pattern.

Multi Media Face Portrait

- ◉ Medium: paper, glue, acetate
- ◉ I printed a picture on acetate paper and glued different colored papers to the background to give it some color

Fred

- Medium: felt, string, needle
- I cut out the shape I wanted my doll to be and added eyes, mouth, and star designs to it. Then I sewed it together and stuffed it with fluffy stuff.

Bleach Shirt

- Medium: shirt, bleach
- To make this I used a Q-tip to spread bleach in the design of the Croatian Flag. It spread a lot more than I anticipated it was going to

Bracelets

⦿ Medium: string, tape, cardboard

⦿ For one of these bracelets I used my fingers to weave them through each other and for the other I used a cardboard wheel to weave them

Tiki Man

- ◉ Medium: clay, knife
- ◉ I drew out a design then cut the outer shape. I then cut in all the designs and added some on top for 3D effect and I left it plain because it gave the effect I wanted
