Block Letter

Kelly Kube

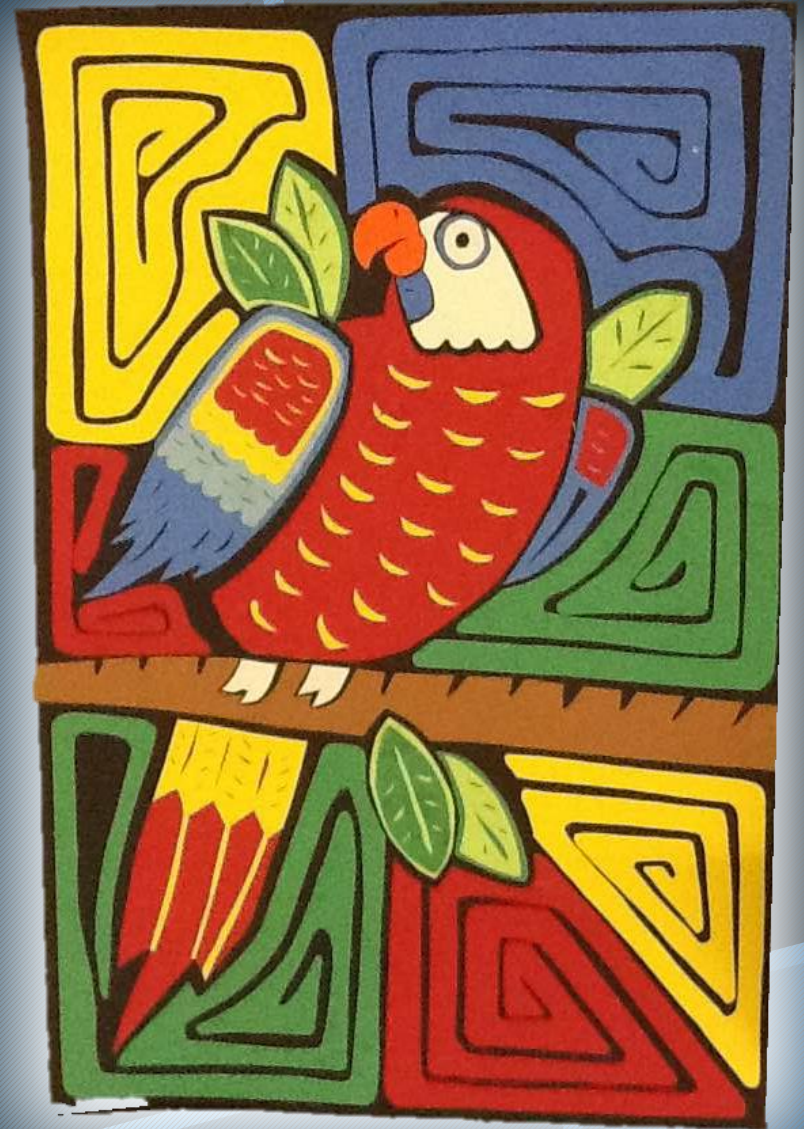

- Medium: Cardboard, paper mache, and paint
- This was one of my favorite projects. It turned out way better than I thought. I enjoyed cutting out the letters.

Mola

Dizzy Parrot

- Medium: Paper
- My favorite part of this piece is the background. I think the beak came out the best along with the leaves.
- I layered the paper like a traditional Mola.

Henna

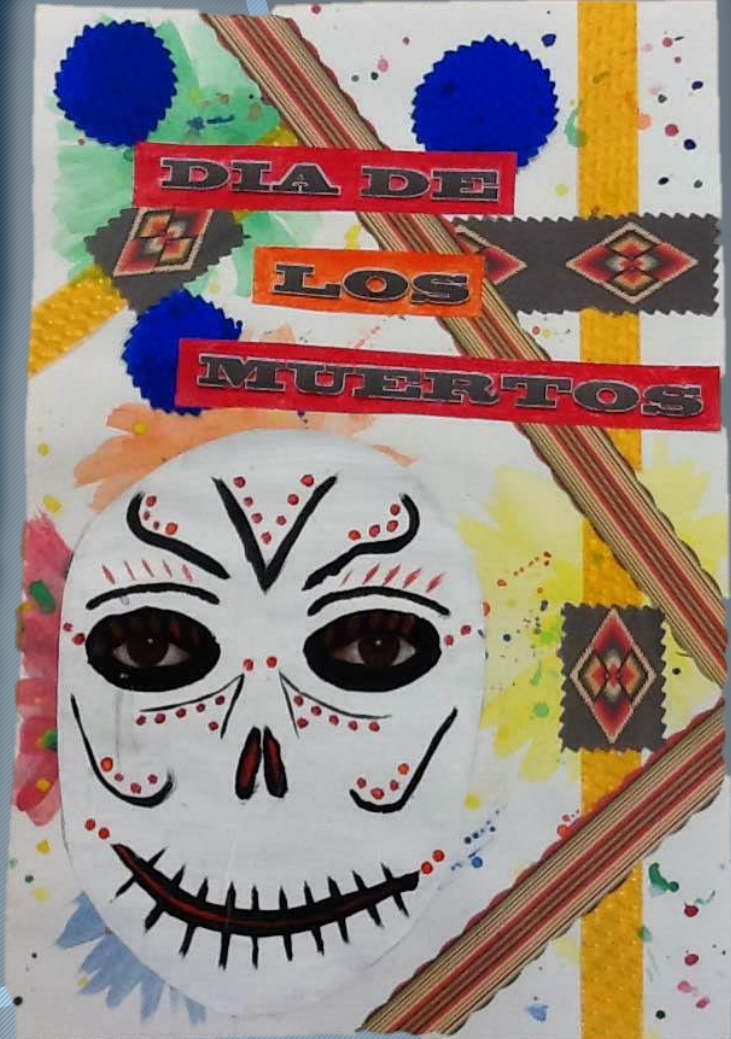

Running Off

- Medium: Paper and Permanent marker
- My favorite part of this project is the middle. I like the contrast of the black and white, which stays true to original Henna.

Dia de Los Muertos

- Medium: Paper, watercolor, magazine, and paint
- My favorite part of this is the letters. I do not like how the skull turned out. I would add something else to the background to make the mask pop out more.

Paper Mask

Gerald the Giraffe

- Medium: Paper and glue
- My favorite part of the giraffe is the ears because they edges pop out slightly. The spots also turned out well.

Paint a Bottle

Beach on the Bottle

- Medium: Glass Bottle and paint
- This was my favorite project because it turned out so good. I ran into a lot of problems including transferring a 2 dimensional sketch to a 3 dimensional painting.

What is Folk Art

Kente Cloth

Folk Art to Me

- Folk art carries on traditions and sometimes teaches the history and origins of a country
- Folk artists have no formal training but only skills are handed down to them

Stained Glass

Waiting Window

- Medium: Paint
- I did this project with Quentin and I really enjoyed painting on the window. My favorite part is how we used two different shades of a color to paint the candles and the wreath.
